Protecting Lives, Empowering Communities

Environmental Awareness Seminar and Tree Plantation Programme

Agricultural Training Institute (ATI), Araihasar, Narayanganj

“One Tree, One Life — Protecting Our Future Together”

Participants and guests at the Environmental Awareness Seminar and Tree Plantation Programme

Organized by	Shurokkha
Date	29 July 2026
Venue	Agricultural Training Institute (ATI), Araihasar, Narayanganj
Participants	Students, teachers, government officials and development partners

Overview

On 29 July 2026, Shurokkha organized an Environmental Awareness Seminar and Tree Plantation Programme at the Agricultural Training Institute (ATI), Araihasar, Narayanganj, bringing together students, teachers, government officials, and development partners to promote climate action and environmental stewardship.

The programme aimed to promote environmental awareness, climate resilience and sustainable development among students, teachers, government officials and development partners.

Protecting Lives, Empowering Communities

Environmental Awareness Seminar

Dr. Kazi Afzal Hossain delivering the keynote presentation

The keynote presentation was delivered by Dr. Kazi Afzal Hossain, Technical Advisor (Environment & Livelihood), Shurokkha, highlighting the growing impacts of climate change on public health, livelihoods and future generations while encouraging collective climate action.

Distinguished Guests

Distinguished guests attending the programme

The programme was successfully implemented with the generous support of Mr. Mohammad Abdur Rahim, Managing Director of Classic Freight. Former Director of the Department of Agricultural Extension Mr. Mokbul Ahmed, Mr. Abdul Kader of ATI Araihaaz and other distinguished guests also attended the programme and encouraged collaborative environmental initiatives.

Youth Engagement

Dr. M. M. Taymur Hasan addressing student participants

Dr. M. M. Taymur Hasan, President of Shurokkha, encouraged students to become environmental ambassadors and reaffirmed Shurokkha's commitment to supporting youth-led climate initiatives.

Rally, Sapling Distribution & Tree Plantation

Awareness rally and sapling distribution

SHUROKKHA

Protecting Lives, Empowering Communities

The programme concluded with a colorful environmental awareness rally followed by sapling distribution and tree plantation activities, with a commitment from participants to plant and nurture the saplings. Each participant received a sapling and was encouraged to plant and nurture it at home, educational institutions or workplaces to contribute towards a greener and more resilient Bangladesh.

Conclusion

Together, let's protect nature, protect lives, and build a sustainable future. Every tree planted today is an investment in a healthier, greener and more climate-resilient future.
