Overview

We are pleased to announce the signing of a Memorandum of Understanding (MoU) between Shurokkha and Professional Consultation Centre (PCC), marking the beginning of a strategic partnership to strengthen Mental Health and Psychosocial Support (MHPSS) initiatives in Bangladesh.

Mental health is an integral part of individual well-being, community resilience, and sustainable development. Through this collaboration, the two organizations will work together to expand access to quality, evidence-based, and culturally responsive mental health services.

Areas of Collaboration

- Community awareness and advocacy on mental health
- Capacity building and training programmes
- Technical collaboration and representation in relevant forums
- Nationwide helpline support through specialized services (Manoshik Kosto Helpline)

- Joint programme implementation and humanitarian response

Closing Remarks

This collaboration reflects a shared commitment to ensuring that mental health support is accessible, inclusive, and responsive to the needs of vulnerable communities. Sincere appreciation is extended to the leadership team of Professional Consultation Centre (PCC) for their trust and collaboration.

Both organizations look forward to engaging with government agencies, development partners, humanitarian organizations, CSR initiatives, and community stakeholders to create greater collective impact together taking another step towards building a mentally healthier, more resilient, and inclusive society.
